SPECIFICATIONS

3-in-1 bulletproof vest for multi threat operations.

With its extremely thin (11 mm) and flexible design, the PGD ULTRA 06 Soft Armor is the perfect choice for a concealable and comfortable wear.

Apart from being bulletproof, the PGD ULTRA 06 Soft Armor also offers protection against knives, spikes, and blunt force objects.

The ballistics are made with high quality aramid material from Teijin and sourced fully within the EU and weigh 7.3 kg/m².

Sealed in a waterproof and UV resistant TPU.

7-year ballistic warranty.

BALLISTIC TESTING

- NIJ IIIA 0101.06
- HOSDB 2007 KR1+SP1
- CE certified (EU) 2016/425
